Goals and Ground Rules

The Goals

- Focus on the language.
- Pay attention to the details.
- Cultivate curiosity.
- Make connections.

The Ground Rules

- No reading ahead.
- No other technology than zoom when we meet. (No cellphones, no open browsers, no side chats.)
- Keep a reading journal: use it as a place to record where your curiosity took you during that week's reading: unfamiliar vocabulary words, historical references, connections or patterns that are forming, images, geography.
